SCHEDULE 2 TERMS AND CONDITIONS OF THE SECURITIES

The USD 800,000,000 Perpetual Unsecured Fixed Rate Securities issued 2022 (the "**Securities**") of Morgan Stanley & Co. International plc (the "**Issuer**") are constituted by a deed of covenant dated 13 June 2022 (as amended or supplemented from time to time, the "**Deed of Covenant**") entered into by the Issuer. Certain provisions of these terms and conditions (the "**Conditions**") are summaries of the Deed of Covenant and subject to its detailed provisions. Copies of the Deed of Covenant are available for inspection by Holders (as defined below) of Securities during normal business hours at the Specified Office (as defined below) of the Issuer. The Holders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Deed of Covenant which are applicable to them.

Capitalised terms and expressions used in these Conditions and not otherwise defined have the meanings given to them in Condition 15 (*Definitions*).

1. **Form, Denomination and Title**

(a) ***Form and denomination***

The Securities are in registered form in the denominations of USD 1,000,000 and integral multiples of USD 1,000 in excess thereof (each, an "**Authorised Denomination**").

(b) ***Register***

The Issuer will maintain a register (the "**Register**") in respect of the Securities in accordance with these Conditions. In these Conditions, the "**Holder**" of a Security means the person in whose name such Security is for the time being registered in the Register (or, in the case of a joint holding, the first named thereof) and "**Securityholder**" shall be construed accordingly. A certificate (each, a "**Certificate**") will be issued to each Securityholder in respect of its registered holding. Each Certificate will be numbered serially with an identifying number which will be recorded in the Register. A Holder of a Security must on request provide the Issuer with details of a USD account maintained by it with a bank in New York City to which it will receive payments in respect of the Securities (the "**Payment Account**") and the Issuer shall record such account details on the Register.

(c) ***Title***

The Holder of each Security shall (except as otherwise required by law) be treated as the absolute owner of such Security for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any other interest therein, any writing on the Certificate relating thereto (other than the endorsed form of transfer) or any notice of any previous loss or theft of such Certificate) and no person shall be liable for so treating such Holder. No person shall have any right to enforce any term or condition of the Securities under the Contracts (Rights of Third Parties) Act 1999.

(d) ***Transfers***

Subject to paragraph (g) (*Regulations concerning transfers and registration*) below, a Security may be transferred upon surrender of the relevant Certificate, with the endorsed form of transfer duly completed, at the Specified Office of the Issuer, together with such evidence as the Issuer may reasonably require to prove the title of the transferor and the authority of the individuals who have executed the form of transfer; **provided, however, that** a Security may not be transferred unless the principal amount of Securities transferred and (where not all of the Securities held by a Holder are being transferred) the principal amount of the balance of Securities not transferred are Authorised Denominations. Where not all the Securities represented by the surrendered Certificate are the subject of the transfer, a new Certificate in respect of the balance of the Securities will be issued to the transferor.

(e) ***Registration and delivery of Certificates***

Within five business days of the surrender of a Certificate in accordance with paragraph (d) (*Transfers*) above, the Issuer will register the transfer in question and deliver a new Certificate of a like principal amount to the Securities transferred to each relevant Holder at its Specified Office or (at the request and risk of any such relevant Holder) by uninsured first class mail (airmail if overseas) to the address specified for the purpose by such relevant Holder. In this paragraph, "**business day**" means a day on which commercial banks are open for general business (including dealings in foreign currencies) in the city where the Issuer has its Specified Office.

(f) ***No charge***

The transfer of a Security will be effected without charge by or on behalf of the Issuer but against such indemnity as the Issuer may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.

(g) ***Regulations concerning transfers and registration***

All transfers of Securities and entries on the Register are subject to the detailed regulations concerning the transfer of Securities scheduled to the Deed of Covenant. The regulations may be changed by the Issuer without the consent of Securityholders. A copy of the current regulations will be mailed (free of charge) by the Issuer to any Securityholder who requests in writing a copy of such regulations.

2. **Status**(a) ***Status***

The Securities constitute direct, unsecured obligations of the Issuer ranking *pari passu* without any preference among themselves. The rights and claims of the Securityholders are subordinated in the event of the winding-up of the Issuer in England to the Prior Ranking Creditors and as described in this Condition 2.

(b) ***Subordination – conditions to payment***

Other than where Condition 2(c) (*Winding-up*) applies, the Issuer's obligation to make any payment to Securityholders in respect of or arising from (including any damages for breach of any obligations under) the Securities is, in addition to the provisions of Condition 4 (*Cancellation of Interest*), conditional upon the Issuer being Solvent at the time of payment by the Issuer and no principal, interest or other amount shall be due and payable to Securityholders in respect of or arising from the Securities except to the extent that the Issuer could make such payment and still be Solvent immediately thereafter.

A certificate as to whether or not the Issuer is Solvent by the Auditors of the Issuer, on the basis of the information provided to the Auditors by the Issuer, shall, in the absence of manifest error, be treated by the Issuer, the Holders and all other interested parties as correct and sufficient evidence thereof.

Any payment of interest that does not fall due by reason of this Condition 2(b) shall be cancelled as provided in Condition 4(a) (*Interest Payments Discretionary*).

(c) ***Winding-up***

If at any time:

- (i) an order is made, or an effective resolution is passed, for the winding-up of the Issuer in England (except, in any such case, a solvent winding-up solely for the purposes of a reorganisation, reconstruction or amalgamation of the Issuer, the terms of which reorganisation, reconstruction or amalgamation (x) have previously been approved in writing by all of the Holders and (y) do not provide that the Securities shall thereby become redeemable or repayable in accordance with these Conditions); or
- (ii) an administrator of the Issuer is appointed and such administrator declares, or gives notice that it intends to declare and distribute, a dividend,

then, so long as a Capital Adequacy Trigger has not occurred, there shall be payable by the Issuer in respect of each Security (in lieu of any other payment by the Issuer) such amount, if any, as would have been payable to the Holder of such Security if, throughout such winding-up or administration in England, such Holder were the holder of one of a class of preference shares in the capital of the Issuer denominated in U.S. dollars ("**Notional Preference Shares**") having an equal right to a return of assets in the winding-up or administration in England to, and so ranking *pari passu* with, the holders of the most senior class or classes of issued preference shares in the capital of the Issuer from time to time (if any) ranking immediately after any preference shares that constitute Tier 2 Capital and which have a preferential right to a return of assets in the winding-up or administration over, and so rank ahead of, the holders of all other classes of issued shares for the time being in the capital of the Issuer (excluding any shares that constitute Tier 2 Capital) but ranking junior to the claims of Prior

Ranking Creditors, and on the assumption that the amount such holder was entitled to receive in respect of each Notional Preference Share on a return of assets in such winding-up or administration were an amount equal to the principal amount of the relevant Security, including any accrued but unpaid interest thereon (to the extent not cancelled in accordance with these Conditions) and any damages awarded for breach of any obligations, whether or not the conditions referred to in Condition 2(b) are satisfied on the date upon which the same would otherwise be due and payable.

If a Capital Adequacy Trigger has occurred, then the Securities shall be discharged in accordance with Condition 8 (*Capital Adequacy Trigger*) and no amount shall be payable in respect of the Securities in the circumstances referred to in (i) and (ii) above.

(d) *Set-off*

Claims in respect of any Securities may not be set-off, or be the subject of a counterclaim, by a Holder against or in respect of any of its obligations to the Issuer or any other person and every Holder waives, and shall be treated for all purposes as if it had waived, any right that it might otherwise have to set-off, or to raise by way of counterclaim, any claim of his in respect of any Securities, against or in respect of any obligations of his to the Issuer or any other person. If, notwithstanding the preceding sentence, any Holder receives or recovers any sum or the benefit of any sum in respect of any Security by virtue of any such set-off or counterclaim, such Holder shall hold the same on trust for the Issuer and shall pay the amount thereof to the Issuer or, in the event of the winding-up of the Issuer, to the liquidator of the Issuer.

3. **Interest**

(a) *Interest Accrual*

Subject to Conditions 2(b) (*Subordination – conditions to payment*), 4 (*Cancellation of Interest*) and 8(c) (*Accrued interest following a Capital Adequacy Trigger*), the Securities will bear interest on the principal amount of each Security from (and including) 13 June 2022 (the "**Issue Date**") at the rate of 7.42 per cent. per annum (the "**Rate of Interest**").

Subject to Conditions 2(b) (*Subordination – conditions to payment*), 4 (*Cancellation of Interest*) and 8(c) (*Accrued interest following a Capital Adequacy Trigger*), (A) interest in respect of the period from (and including) the Issue Date to (but excluding) 30 November 2023 (the "**First Interest Payment Date**") shall be payable in arrear on the First Interest Payment Date and (B) thereafter interest shall be payable in arrear on 30 November of each year (each such date, together with the First Interest Payment Date, an "**Interest Payment Date**").

(b) *Calculation of Interest Amounts*

The amount of interest payable on the First Interest Payment Date shall be USD 108.62 in respect of each Calculation Amount of a Security and the amount of

interest payable on any other Interest Payment Date shall be USD 74.2 in respect of each Calculation Amount of a Security.

If interest is required to be paid in respect of a Security and a period on any other date, the amount of interest in respect of such period shall be calculated in respect of each Calculation Amount of a Security by applying the Rate of Interest to the Calculation Amount and multiplying the product by the relevant Day Count Fraction without rounding (subject as provided below).

The amount of interest payable in respect of a holding of Securities in respect of which a Certificate has been issued shall be the aggregate of the amounts specified above or determined in the manner provided above (as applicable) for each Calculation Amount comprising the holding without rounding in relation to the amount payable in respect of each Calculation Amount and with such aggregate amount being rounded to the nearest cent (half a cent being rounded upwards).

(c) ***Cessation of Interest Accrual***

Without prejudice to Conditions 2(b) (*Subordination – conditions to payments*), 4 (*Cancellation of Interest*) and 8(c) (*Accrued interest following a Capital Adequacy Trigger*), interest will cease to accrue on each Security on the Redemption Date (if any) unless, upon such due date, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue (as well after as before any judgment) up to and including the date on which payment in full is made.

4. **Cancellation of Interest**

(a) ***Interest Payments Discretionary***

The Issuer shall be entitled at its full discretion to cancel (in whole or in part) any amounts of interest otherwise payable in respect of the Securities on any date. Unless otherwise specified, references in these Conditions to a payment of interest being "cancelled" (and similar references) shall include cancellation by reason of it not being due in accordance with Condition 2(b) (*Subordination – conditions to payments*), the cancellation of such payment of interest (or relevant part thereof) in accordance with Condition 4(b) (*Restrictions on Interest Payments*) or 8(c) (*Accrued interest following a Capital Adequacy Trigger*) or, as appropriate, the Issuer's exercise of its discretion otherwise to cancel such payment of interest (or relevant part thereof) in accordance with this Condition 4(a).

If the Issuer does not make any such payment of interest (or any part thereof) on the relevant date for payment, such non-payment shall evidence the non-payment and cancellation of such payment of interest (or relevant part thereof) and accordingly such interest shall not in any such case be due and payable.

Any payment of interest (or relevant part thereof) which is cancelled shall not become due and shall not accumulate or be payable at any time after its cancellation, and Securityholders shall have no rights in respect thereof and any

such cancellation or non-payment (in whole or in part) shall not constitute a default or event of default on the part of the Issuer for any purpose.

(b) ***Restrictions on Interest Payments***

Without prejudice to Condition 4(a) (*Interest Payments Discretionary*), if and to the extent that on any date on which interest is payable in respect of the Securities, the Issuer would have an amount of Distributable Items that is less than the sum of (i) all distributions or interest payments made or declared by the Issuer since the end of the last financial year and prior to such date on or in respect of (x) the Securities and (y) any Parity Securities and any Junior Securities and (ii) all distributions or interest payments payable by the Issuer (and not cancelled) on such date on or in respect of (x) the Securities and (y) any Parity Securities and any Junior Securities, in each case, excluding any such payments already accounted for in determining the Distributable Items, the Issuer shall cancel (in whole or, as the case may be, in part) the interest otherwise payable on such date.

(c) ***Notice of Interest Cancellation***

If practicable, the Issuer shall give notice of any cancellation of any interest to the Securityholders in accordance with Condition 12 (*Notices*) on or prior to the relevant date on which such interest would otherwise have been payable; **provided, however, that** any failure to provide such notice will not invalidate the cancellation of the relevant payment of interest.

5. **Redemption and Purchase**

(a) ***No Fixed Redemption Date***

The Securities are perpetual securities in respect of which there is no fixed redemption date and the Issuer shall (subject to the provisions of Condition 2(b) (*Subordination – conditions to payments*) and Condition 8 (*Capital Adequacy Trigger*)) only have the right to repay them or purchase them in accordance with the following provisions of this Condition 5.

(b) ***Redemption for Taxation Reasons***

Subject to Conditions 2(b) (*Subordination – conditions to payments*), 5(g) (*Supervisory Consent*) and 8 (*Capital Adequacy Trigger*) the Securities may be redeemed at the option of the Issuer in whole, but not in part, on any date, on giving not less than five nor more than 90 days' notice to the Holders of Securities (which notice shall be irrevocable) at their outstanding principal amount, together with (to the extent not cancelled pursuant to these Conditions) interest accrued and unpaid, if any, to the date fixed for redemption, if a Taxation Event occurs.

(c) ***Redemption at the Option of the Issuer***

Subject to Conditions 2(b) (*Subordination – conditions to payments*), 5(g) (*Supervisory Consent*) and 8 (*Capital Adequacy Trigger*), the Securities may be redeemed at the option of the Issuer in whole or in part on any date falling on

or after 30 November 2027 (each, a "**Call Option Date**") on the Issuer's giving not less than 30 nor more than 60 days' notice (or such other period as may be agreed between the Issuer and all of the Securityholders in accordance with Condition 13 (*Modifications*)) to the Securityholders (which notice shall be irrevocable and shall oblige the Issuer to redeem the Securities on such Call Option Date).

On the date so fixed, the Issuer shall, subject to Conditions 2(b) (*Subordination – conditions to payments*), 5(g) (*Supervisory Consent*) and 8 (*Capital Adequacy Trigger*), redeem all of such Securities at their outstanding principal amount (or, if so specified in the redemption notice, the relevant part thereof) together with (to the extent not cancelled pursuant to these Conditions) interest accrued thereon to the date fixed for redemption.

If the Securities are to be redeemed in part only on any date in accordance with this Condition 5(c), the Securities shall be redeemed (so far as may be practicable) *pro rata* to their principal amounts, **provided always that** the amount redeemed in respect of each Security shall be equal to the Calculation Amount or a multiple thereof, subject always to compliance with all applicable laws.

In the case of the redemption of part only of a Security, a new Certificate in respect of the unredeemed balance shall be issued in accordance with Condition 1(d) (*Transfers*), which shall apply as in the case of a transfer of Securities as if such new Certificate were in respect of the untransferred balance.

(d) ***Purchases***

Subject to Condition 5(g) (*Supervisory Consent*), the Issuer or any holding or subsidiary company of it or any subsidiary of any such holding company may at any time purchase Securities at any price in the open market or otherwise and may resell the same.

(e) ***Redemption upon Capital Disqualification Event***

Subject to Conditions 2(b) (*Subordination – conditions to payments*), 5(g) (*Supervisory Consent*) and 8 (*Capital Adequacy Trigger*), following the occurrence of a Capital Disqualification Event, the Issuer may, within 90 days of the occurrence of the relevant Capital Disqualification Event and on giving not less than 30 nor more than 60 days' notice to the Securityholders in accordance with Condition 12 (*Notices*) (which notice shall, subject to Conditions 2(b) (*Subordination – conditions to payments*), 5(g) (*Supervisory Consent*) and 8 (*Capital Adequacy Trigger*) be irrevocable), at its option, redeem all, but not some only, of the Securities at their outstanding principal amount, together with (to the extent not cancelled pursuant to these Conditions) interest accrued and unpaid, if any, to the date fixed for redemption.

(f) ***Capital Adequacy Trigger Notice***

The Issuer may not give a notice of redemption of any Securities pursuant to this Condition 5 if a Capital Adequacy Trigger Notice has been given in respect

of the Securities. If a Capital Adequacy Trigger Notice is given after a notice of redemption has been given by the Issuer but before the relevant Redemption Date, such notice of redemption shall automatically be revoked and be null and void and the relevant Securities shall not be redeemed.

(g) ***Supervisory Consent***

Unless the Securities have (or will have on the date fixed for redemption) ceased fully to qualify as part of the Issuer's regulatory capital, the Issuer may only exercise any right to redeem or purchase Securities pursuant to Conditions 5(b) (*Redemption for Taxation Reasons*), 5(c) (*Redemption at the Option of the Issuer*), 5(d) (*Purchases*) or 5(e) (*Redemption upon Capital Disqualification Event*) if the Issuer has first:

- (i) in the case of a redemption pursuant to Condition 5(b) (*Redemption for Taxation Reasons*) before the fifth anniversary of the Issue Date, demonstrated to the satisfaction of the Lead Regulator applicable to the Issuer that the relevant Taxation Event is material and was not reasonably foreseeable on the Issue Date;
- (ii) in the case of a redemption pursuant to Condition 5(e) (*Redemption upon Capital Disqualification Event*) before the fifth anniversary of the Issue Date, demonstrated to the satisfaction of the Lead Regulator applicable to the Issuer that the relevant change in the regulatory classification of the Securities was not reasonably foreseeable on the Issue Date; and
- (iii) in the case of all redemptions and purchases, obtained a Relevant Supervisory Consent.

For these purposes, as between the Issuer and the Securityholders the Issuer shall be deemed to have satisfied the conditions set out in (i) or (ii) above (as applicable) for a redemption pursuant to Condition 5(b) (*Redemption for Taxation Reasons*) or 5(e) (*Redemption upon Capital Disqualification Event*) (as the case may be) if it has obtained a Relevant Supervisory Consent pursuant to (iii) above and a certificate signed by two authorised signatories of the Issuer stating that it has obtained a Relevant Supervisory Consent shall be conclusive and binding on the Securityholders.

(h) ***Cancellation***

All Securities redeemed pursuant to paragraph (b), (c) or (e) of this Condition 5 shall, and all Securities purchased pursuant to paragraph (d) of this Condition 5 may, at the option of the Issuer, be cancelled forthwith. All Securities redeemed or purchased and cancelled as aforesaid may not be re-issued or resold and the obligations of the Issuer in respect of any such Securities shall be discharged.

6. Payments

(a) ***Principal and Interest***

Payments of principal and interest in respect of any Holder's Securities shall be made by bank transfer to such Holder's Payment Account (or by such other

means as may be agreed between the Issuer and such Holder) and, in the case of redemption, upon surrender (or, in the case of part payment only, endorsement) of the relevant Certificates at the Specified Office of the Issuer.

(b) ***Payments subject to fiscal laws***

All payments in respect of the Securities are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 7 (*Taxation*). No commissions or expenses shall be charged to the Securityholders in respect of such payments.

(c) ***Payments on business days***

Payment instructions (for value the due date, or, if the due date is not a business day, for value the next succeeding business day) will be initiated (i) (in the case of payments of principal and interest payable on redemption) on the later of the due date for payment and the day on which the relevant Certificate is surrendered (or, in the case of part payment only, endorsed) at the Specified Office of the Issuer and (ii) (in the case of payments of interest payable other than on redemption) on the due date for payment. A Holder of a Security shall not be entitled to any interest or other payment in respect of any delay in payment resulting from the due date for a payment not being a business day. In this paragraph, "**business day**" means any day on which banks are open for general business (including dealings in foreign currencies) in New York City and, in the case of surrender (or, in the case of part payment only, endorsement) of a Certificate, in the place in which the Certificate is surrendered (or, as the case may be, endorsed).

(d) ***Partial payments***

If the Issuer makes a partial payment in respect of any Security, the Issuer shall procure that the amount and date of such payment are noted on the Register and, in the case of partial payment upon presentation of a Certificate, that a statement indicating the amount and the date of such payment is endorsed on the relevant Certificate.

(e) ***Record date***

7. **Taxation**

All payments of principal and interest in respect of the Securities by or on behalf of the Issuer shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any political subdivision thereof or any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties,

assessments or governmental charges is required by law. In that event the Issuer shall pay such additional amounts in respect of interest but not principal as will result in receipt by the Securityholders after such withholding or deduction of such amounts of interest as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Security:

- (a) held by a Holder which is liable to such taxes, duties, assessments or governmental charges in respect of such Security by reason of its having some connection with the United Kingdom other than the mere holding of the Security; or
- (b) where (in the case of a payment of principal or interest on redemption) the relevant Certificate is surrendered for payment more than 30 days after the Relevant Date except to the extent that the relevant Holder would have been entitled to such additional amounts if it had surrendered the relevant Certificate on the last day of such period of 30 days.

In these Conditions, "**Relevant Date**" means the date on which the payment in question first becomes due.

Any reference in these Conditions to interest shall be deemed to include any additional amounts in respect of interest which may be payable under this Condition 7 (*Taxation*).

Notwithstanding any other provision in these Conditions, the Issuer shall be permitted to withhold or deduct any amounts required by the rules of U.S. Internal Revenue Code of 1986 Sections 1471 through 1474 (or any amended or successor provisions), pursuant to any inter-governmental agreement, or implementing legislation adopted by another jurisdiction in connection with these provisions, or pursuant to any agreement with the U.S. Internal Revenue Service ("**FATCA withholding**"). The Issuer will have no obligation to pay additional amounts or otherwise indemnify a Holder for any FATCA withholding deducted or withheld by the Issuer or any other party as a result of any person (other than an agent of the Issuer) not being entitled to receive payments free of FATCA withholding.

8. **Capital Adequacy Trigger**

(a) *Occurrence of Capital Adequacy Trigger*

Upon its determination that a Capital Adequacy Trigger has occurred, the Issuer shall immediately inform the Lead Regulator applicable to the Issuer and the Issuer shall give a notice of the occurrence thereof (a "**Capital Adequacy Trigger Notice**") to the Holders of the Securities in accordance with Condition 12 (*Notices*) as soon as practicable after such determination (and, in any event, within such period as the Lead Regulator applicable to the Issuer may require).

(b) *Write-down upon occurrence of a Capital Adequacy Trigger*

If a Capital Adequacy Trigger occurs:

- (i) each Security shall, subject to and as provided in this Condition 8(b), be irrevocably discharged and satisfied by its write-down by the Write-

down Amount (as defined below) and credited as fully paid, in the manner and in the circumstances described below;

- (ii) such write-down shall occur without delay upon the occurrence of such Capital Adequacy Trigger and, in any event, within one month from the time it is determined that the Capital Adequacy Trigger has occurred or within such shorter period as the Lead Regulator applicable to the Issuer may require (such date on which write-down is to occur shall be specified in the Capital Adequacy Trigger Notice and is referred to in these Conditions as the "**Write-down Date**" in respect of the Securities); and
- (iii) the Securities will be written-down in whole and not in part on the Write-down Date at which point all of the Issuer's obligations under the Securities shall be irrevocably discharged.

(c) *Accrued Interest following Capital Adequacy Trigger*

Following the occurrence of a Capital Adequacy Trigger, in respect of the Securities, any interest otherwise falling due on any date which falls on or after the date on which a Capital Adequacy Trigger occurs shall be deemed to have been cancelled upon the occurrence of such Capital Adequacy Trigger and shall not become due and payable.

9. **Prescription**

Claims for principal and interest on redemption shall become void unless the relevant Certificates are surrendered for payment within ten years of the appropriate Relevant Date.

10. **Enforcement**

- (b) Without prejudice to Condition 10(a), a Holder may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit and may, subject as hereinafter provided, institute proceedings for the winding-up of the Issuer in England and/or prove in any winding-up or administration of

the Issuer in England, to enforce any obligation, condition or provision binding on the Issuer under the Securities (other than any obligation for the payment of any principal, interest or expenses in respect of such Securities or any other payment obligation in respect thereof) **provided that** the Issuer shall not by virtue of the institution of any such proceedings other than proceedings for the winding-up of the Issuer be obliged to pay any sum or sums (whether in respect of principal or interest or other sums in respect of the relevant Securities or by way of damages in respect of any breach of any such obligation, condition or provision or otherwise howsoever). A Holder of a Security may only institute proceedings for the winding-up of the Issuer to enforce the obligations above referred to in this paragraph and/or prove in any winding-up or administration of the Issuer in England if a default by the Issuer thereunder is not remedied to the satisfaction of such Holder within sixty days (or such longer period as the Holder may permit) after notice of such default has been given to the Issuer by the Holder requiring such default to be remedied.

- (c) No remedy against the Issuer (including any right of set-off) other than as specifically provided by this Condition 10 or the Deed of Covenant shall be available to the Securityholders in respect of any Securities whether for the recovery of amounts owing in respect of such Securities or under the Deed of Covenant or in respect of any breach by the Issuer of any obligation, condition or provision of such Securities or under the Deed of Covenant or otherwise.

11. **Replacement of Certificates**

If any Certificate is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Issuer, subject to all applicable laws, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

12. **Notices**

Notices to the Securityholders will be sent to them by first class mail (or its equivalent) or (if posted to an overseas address) by airmail at their respective addresses on the Register. Any such notice shall be deemed to have been given on the fourth day after the date of mailing.

13. **Modifications**

The terms and conditions of the Securities may be modified by agreement between the Issuer and the Holders of the Securities. For these purposes, the agreement of the Holders of the Securities to any such modification may be given by means of a resolution in writing signed by, or on behalf of, the Holders of not less than 100 per cent. in principal amount of the Securities for the time being outstanding.

2. Subject to paragraph 9 below, Securities may be transferred by execution of the relevant form of transfer under the hand of the transferor or, where the transferor is a corporation, under its common seal or under the hand of two of its officers duly authorised in writing. Where the form of transfer is executed by an attorney or, in the case of a corporation, under seal or under the hand of two of its officers duly authorised in writing, a copy of the relevant power of attorney certified by a financial institution in good standing or a notary public or in such other manner as the Issuer may require or, as the case may be, copies certified in the manner aforesaid of the documents authorising such officers to sign and witness the affixing of the seal must be delivered with the form of transfer. In this Schedule, "**transferor**" shall, where the context permits or requires, include joint transferors and shall be construed accordingly.
3. The Certificate issued in respect of the Securities to be transferred must be surrendered for registration, together with the form of transfer (including any certification as to compliance with restrictions on transfer included in such form of transfer) endorsed thereon, duly completed and executed, at the Specified Office of the Issuer, and together with such evidence as the Issuer may reasonably require to prove the title of the transferor and the authority of the persons who have executed the form of transfer. The signature of the person effecting a transfer of a Security shall conform to any list of duly authorised specimen signatures supplied by the Holder of such Security or be certified by a financial institution in good standing, notary public or in such other manner as the Issuer may require.
4. The executors or administrators of a deceased Holder of a Security (not being one of several joint Holders) and, in the case of the death of one or more of several joint Holders, the survivor or survivors of such joint Holders, shall be the only persons recognised by the Issuer as having any title to such Security.

The Issuer shall be at liberty to retain any amount payable upon the Securities to which any person is so entitled until such person is so registered or duly transfers such Securities.
6. Unless otherwise required by him and agreed by the Issuer, the Holder of any Securities shall be entitled to receive only one Certificate in respect of his holding.

7. The joint Holders of any Security shall be entitled to one Certificate only in respect of their joint holding which shall, except where they otherwise direct, be delivered to the joint Holder whose name appears first in the Register in respect of the joint holding.
