- 3.2 Unless otherwise provided in the relevant Loan Particulars, interest on the Loan shall be payable in arrear on each Interest Payment Date.
- 3.3 The Calculation Agent will, as soon as practicable on the Interest Determination Date in relation to each Interest Period, calculate the Interest Amount payable in respect of the Loan for such Interest Period. The Interest Amount will be calculated by applying the Interest Rate for such Interest Period to the outstanding principal amount of the Loan, and multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the currency of the Loan (half a sub-unit being rounded upwards). - 4.4 Following any deferral pursuant to Clause 4.1, the Lender may, upon no less than 120 calendar days' written notice, require the Borrower to pay the Deferred Interest Amount. Upon the expiry of such notice period, the Borrower shall pay to the Lender the Deferred Interest Amount together with any Additional Interest accrued.

5. REPAYMENT

- 5.1 Subject to Clauses 5.2 to 5.4, (a) the Loan (together with all interest accrued thereon and other amounts due or owing to the Lender in connection with the Loan) shall be repayable in full by

the Borrower on the Repayment Date and (b) the Lender and the Borrower acknowledge and agree that the Borrower does not have any other rights or obligations to prepay the Loan (or any portion of the Loan) prior to its Repayment Date.

- 5.2 Subject to Clause 5.5, the Loan may be prepaid at the option of the Borrower, in whole, but not in part, on any date, on giving not less than 1 nor more than 60 days' written notice (or such other period as may be agreed between the Borrower and the Lender) to the Lender, in substantially the form set out in Appendix 3 (*Form of Prepayment Notice and Certificate*), in accordance with Clause 16 (*Notices*) (which notice shall be irrevocable) at its outstanding principal amount, together with interest accrued and unpaid, if any, to the date fixed for prepayment, if a Taxation Event occurs.
- 5.3 The Loan may be prepaid at the option of the Borrower in whole or in part on any date falling on or after the Prepayment Option Date on the Borrower's giving not less than 1 nor more than 60 days' written notice (or such other period as may be agreed between the Borrower and the Lender) to the Lender, in substantially the form set out in Appendix 3 (*Form of Prepayment Notice and Certificate*), in accordance with Clause 16 (*Notices*) (which notice shall be irrevocable and shall oblige the Borrower to prepay the Loan on such date). On the date so fixed, the Borrower shall, subject to Clause 5.5, prepay all of the Loan at its outstanding principal amount (or, if so specified in the prepayment notice, the relevant part thereof) together with interest accrued thereon to the date fixed for prepayment.
- 5.4 Subject to Clause 5.5, the Borrower may, within 90 days of the occurrence of the relevant Capital Disqualification Event and on giving not less than 1 nor more than 60 days' written notice (or such other period as may be agreed between the Borrower and the Lender) to the Lender, in substantially the form set out in Appendix 3 (*Form of Prepayment Notice and Certificate*), in accordance with Clause 16 (*Notices*) (which notice shall, subject to Clause 5.5 be irrevocable), at its option, prepay all, but not some only, of the Loan at its outstanding principal amount, together with interest accrued and unpaid, if any, to the date fixed for prepayment.
- 5.5 Unless the Loan has (or will have on the date fixed for prepayment) ceased fully to qualify as part of the Borrower's regulatory capital, the Borrower may only exercise any right to prepay the Loan pursuant to this Clause 5 if the Borrower has first:
- (a) in the case of a prepayment pursuant to Clause 5.2 before the fifth anniversary of the Drawdown Date, demonstrated to the satisfaction of the Relevant Supervisor that the relevant Taxation Event is material and was not reasonably foreseeable on the Drawdown Date;
 - (b) in the case of a prepayment pursuant to Clause 5.4 before the fifth anniversary of the Drawdown Date, demonstrated to the satisfaction of the Relevant Supervisor that the relevant change in the regulatory classification of the Loan was not reasonably foreseeable on the Drawdown Date; and
 - (c) in the case of all prepayments, obtained a Relevant Supervisory Consent.

For these purposes, as between the Borrower and the Lender, the Borrower shall be deemed to have satisfied the conditions set out in (a) or (b) above (as applicable) for a prepayment pursuant to Clause 5.2 to 5.4 (as the case may be) if it has obtained a Relevant Supervisory Consent pursuant to (c) above and a certificate signed by two authorised signatories of the Borrower stating that it has obtained a Relevant Supervisory Consent shall be conclusive and binding on the Lender.

6. **SUBORDINATION**

In the event of a winding-up of the Borrower in England, claims against the Borrower in respect of a Loan shall rank:

- (a) subordinated in right of payment to claims of Senior Creditors and claims in respect of Senior Subordinated Obligations;
- (b) *pari passu* with claims in respect of Parity Obligations; and
- (c) senior to the Borrower's ordinary shares, preference shares and claims in respect of Junior Subordinated Obligations.

Any reference in the Loan Agreement to interest shall be deemed to include any additional amounts in respect of interest which may be payable under this Clause 10.

Notwithstanding any other provision in the Loan Agreement, the Borrower shall be permitted to withhold or deduct any amounts required by the rules of the U.S. Internal Revenue Code of 1986 Sections 1471 through 1474 (or any amended or successor provisions), pursuant to any inter-governmental agreement, or implementing legislation adopted by another jurisdiction in connection with these provisions, or pursuant to any agreement with the U.S. Internal Revenue Service ("**FATCA withholding**"). The Borrower will have no obligation to pay additional amounts or otherwise indemnify the Lender for any FATCA withholding deducted or withheld

by the Borrower as a result of any person not being entitled to receive payments free of FATCA withholding.

11. SET OFF

The Lender hereby waives any right to set-off any amount of interest, principal or any other amounts due under the Loan Agreement against any amounts owed to the Borrower by the Lender and waives any right to counterclaim for any amount of interest, principal or any other amounts due under the Loan Agreement in any action by the Borrower against the Lender in respect of any amount owed to the Borrower by the Lender. In the event that the Lender recovers any amount in respect of principal, interest or any other amounts due on the Loan (the "**Original Debt**") by virtue of the application of any relevant rules of mandatory set-off applicable under English law in circumstances where the claims of any Senior Creditors or Senior Subordinated Creditors remain outstanding, the Lender shall pay an amount equal to whichever is the lesser of the amount so recovered and the aggregate amount of the claims of Senior Creditors and Senior Subordinated Creditors then remaining outstanding to the liquidator of the Borrower upon trust for such Senior Creditors and Senior Subordinated Creditors. The Lender may rely upon a certificate of the liquidator for the purpose of determining whether or not any claims of Senior Creditors or Senior Subordinated Creditors remain outstanding and if so their amount or aggregate amount. The Borrower shall not be obliged to concern itself with the distribution by the liquidator of any payment so made to the liquidator. To the extent of any payment so made, the Original Debt shall be treated as if it had not been discharged.

12. WRITE-DOWN

12.1 Notwithstanding any other agreements, arrangements, or understandings between the Lender and the Borrower, by extending a Loan, the Lender acknowledges, accepts, agrees to be bound by, and consents to the Write-Down of such Loan in any of the following circumstances:

12.1.1

- (a) any Own Funds Instruments of the Borrower have been written-down or converted into equity pursuant to any statutory or regulatory power linked to the financial condition or viability of the Borrower (including, without limitation, section 6B of the Banking Act); and
- (b) the UK Resolution Authority includes in its Write-Down Direction a statement that the FDIC, acting in its capacity as the United States resolution authority of the Morgan Stanley Group, has either (1) consented to the Write-down or (2) has not objected to the Write-down within 24 hours of the UK Resolution Authority having given it notice thereof; or

12.1.2 any Resolution Entity in the Morgan Stanley Group which is a direct or indirect parent of the Borrower is subject to Resolution Proceedings in the United Kingdom or elsewhere.

12.2 If in the circumstances set out in Clause 12.1.1 or Clause 12.1.2 the UK Resolution Authority directs the Borrower to effect a Write-Down of a Loan, giving details of the extent of the same (such direction being a "**Write-Down Direction**"), then:

12.2.1 the Borrower shall promptly give notice (a "**Write-Down Notice**") to the Lender of such reduction or cancellation, giving details of the same consistent with the Write-Down Direction, including the date on which such reduction or cancellation is to take effect (the "**Write-Down Date**"); and

12.2.2 the Loan and/or interest thereon (as applicable) shall be written down in the amount(s) specified in in the Write-Down Notice on the Write-Down Date at which point all of the Borrower's obligations in respect of the amount(s) so written down shall be irrevocably discharged,

and each of the Borrower and the Lender shall do all such acts and things necessary to give effect to the above.

13. **PARTIAL INVALIDITY**

If, at any time, any provision of the Loan Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

14. **AMENDMENT**

The terms of the Loan Agreement may be amended at any time by mutual agreement between the Borrower and the Lender but subject to the prior notification and non-objection of the Relevant Supervisor.

15. **CHANGES IN PARTIES**

15.1 Neither the Lender nor the Borrower may assign its rights, in whole or in part, under the Loan Agreement unless:

15.1.1 such assignment is in a minimum amount of at least USD, EUR or GBP 5,000,000 (as applicable) and integral multiples thereof, or in the case of a Loan denominated in any other currency, such minimum amount as may be agreed between the Lender and the Borrower;

15.1.2 the entity to which it is assigning rights to is an entity that is a member of the Morgan Stanley Group; and

15.1.3 the written consent of the other party has been obtained in advance (such consent not to be unreasonably withheld).

15.2 Any purported assignment that does not comply with the terms of Clause 15.1 shall be void.

15.3 Any such assignment shall be executed using the form of assignment agreement set out in Appendix 2 (*Form of Assignment Agreement*) or such other document(s) as the parties may agree.

16. **NOTICES**

Each communication to be made under the Loan Agreement shall, unless otherwise agreed between the parties, be made by e-mail to the recipient at emeacapmgt@morganstanley.com or such other email address as the parties have notified to each other. Any such communication shall be deemed to have been received when transmitted, provided that any communication received after 5:00 p.m. in the place of receipt shall be deemed only to be received the following day.

17. **COUNTERPARTS**

The Loan Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of the Loan Agreement.

18. **GOVERNING LAW**

The Loan Agreement and any non-contractual obligations arising out of or in connection with it shall be governed by English law.

19. **JURISDICTION**

19.1 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with the Loan Agreement (including a dispute relating to the existence, validity or termination of the Loan Agreement or the consequences of its nullity or any non-contractual obligations arising out of or in connection with the Loan Agreement) (a "**Dispute**").

19.2 The parties to the Loan Agreement agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party to the Loan Agreement will argue to the contrary.

**APPENDIX 1
BENCHMARK RATES**

**Part A
€STR**

If the relevant Loan Particulars specify €STR as the Benchmark Rate, the following provisions shall apply:

1. The Benchmark Rate for an Interest Period shall be "€STR". In relation to any Interest Period:

"€STR" means the rate of return of a daily simple interest investment calculated in accordance with the formula below and the resulting percentage being rounded, if necessary, to the nearest ten-thousandth of a percentage point, with 0.00005 being rounded upwards:

$$\left[\sum_{i=1}^{d_0} \left(\frac{\text{€STR}_{i-pTBD} \times n_i}{360} \right) \right] \times \frac{360}{d}$$

where:

"**d**" is the number of calendar days in the relevant Interest Period;

"**d₀**" for any Interest Period, means the number of TARGET Days in the relevant Interest Period;

"**i**" is a series of whole numbers from one to d₀, each representing the relevant TARGET Days in chronological order from and including the first TARGET Day in the relevant Interest Period;

"**n_i**" for any TARGET Day "i", means the number of calendar days from, and including, such TARGET Day "i" up to, but excluding, the following TARGET Day;

"**Observation Period**" means, in respect of an Interest Period, the period from, and including, the date which is "p" TARGET Days prior to the first day of such Interest Period (and the first Interest Period shall begin on and include the Drawdown Date) and ending on, but excluding the date which is "p" TARGET Days prior to the Interest Payment Date for such Interest Period (or the date falling "p" TARGET Days prior to such earlier date, if any, on which the Loan becomes due and payable);

"**p**" means the whole number specified in the relevant Loan Particulars as the Observation Period, such number representing a number of TARGET Days; and

"**TBD**" means any TARGET Day,

provided, however, that, if the Calculation Agent is unable to determine a rate in accordance with the above provisions in relation to any Interest Period, the Benchmark Rate applicable to the Loan in respect of such Interest Period will be (i) the rate last determined in relation to the Loan in respect of a preceding Interest Period or (ii) such rate as the Borrower and the Lender may otherwise agree.

Part B SONIA

If the relevant Loan Particulars specify SONIA as the Benchmark Rate, the following provisions shall apply:

1. The Benchmark Rate will be determined based on either Lookback or Observation Shift, as follows:
 - (a) if Lookback is specified as the Observation Method in the relevant Loan Particulars, the Benchmark Rate for each Interest Period shall be equal to the value of the SONIA rates for each day during the relevant Interest Period, aggregated daily in accordance with the following formula (with the resulting percentage rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with 0.000005 being rounded upwards to 0.00001):

$$\left[\sum_{i=1}^{d_0} \left(\frac{SONIA_{i-pLBD} \times n_i}{365} \right) \right] \times \frac{365}{d}$$

where:

"**d**" means the number of calendar days in the relevant Interest Period;

"**d₀**" for any Interest Period, means the number of London Banking Days in the relevant Interest Period;

"**i**" is a series of whole numbers from one to **d₀**, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Interest Period;

"**SONIA**", in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors, in each case on the London Banking Day immediately following such London Banking Day; and

"**SONIA_i-pLBD**" for any London Banking Day "i" in the relevant Interest Period, is equal to the SONIA in respect of the London Banking Day falling a number of London Banking Days prior to that day "i" equal to the number of Lookback Days; or

- (b) if Observation Shift is specified as the Observation Method in the relevant Loan Particulars, the Benchmark Rate for each Interest Period shall be equal to the value of the SONIA rates for each day during the relevant Observation Period, aggregated daily in accordance with the following formula (with the resulting percentage rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with 0.000005 being rounded upwards to 0.00001):

$$\left[\sum_{i=1}^{d_0} \left(\frac{SONIA_i \times n_i}{365} \right) \right]$$

where:

"**d**" means the number of calendar days in the relevant Observation Period;

"**d₀**" for any Observation Period, means the number of London Banking Days in the relevant Observation Period;

"**i**" is a series of whole numbers from one to d₀, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Observation Period;

"Observation Shift Days" means the number of London Banking Days specified in the relevant Loan Particulars;

"SONIA", in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors, in each case on the London Banking Day immediately following such London Banking Day; and

"SONIA_i" for any London Banking Day "i" in the relevant Observation Period, is equal to SONIA in respect of that day "i",

provided, however, that, in the case of (a) and (b), if the Calculation Agent is unable to determine a rate in accordance with the above provisions in relation to any Interest Period, the Benchmark Rate applicable to the Loan in respect of such Interest Period will be (i) the rate last determined in relation to the Loan in respect of a preceding Interest Period or (ii) such rate as the Borrower and the Lender may otherwise agree.

Part C SOFR

If the relevant Loan Particulars specify SOFR as the Benchmark Rate, the following provisions shall apply:

1. The Benchmark Rate for an Interest Period will be the SOFR Accrued Interest Factor. With respect to any Interest Period, the **"SOFR Accrued Interest Factor"** means the rate of return of a daily simple interest investment computed in accordance with the following formula (with the resulting percentage rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with 0.000005 being rounded upwards to 0.00001):

$$\left[\sum_{i=1}^{d_0} \left(\frac{SOFR_i \times n_i}{360} \right) \right] \times \frac{360}{d}$$

where:

"d" means the number of calendar days in the relevant Interest Period;

"d₀", for any Interest Period, means the number of U.S. Government Securities Business Days in the relevant Interest Period;

"i" is a series of whole numbers from one to d₀, each representing the relevant U.S. Government Securities Business Days in chronological order from, and including, the first U.S. Government Securities Business Day in the relevant Interest Period;

"n_i" means the number of calendar days in the relevant Interest Period on which the rate is SOFR_i; and

"SOFR_i", for any day "i" in the relevant Interest Period, means a reference rate equal to SOFR in respect of that day,

provided, however, that if the Calculation Agent is unable to determine a rate in accordance with the above provisions in relation to any Interest Period, the Benchmark Rate applicable to the Loan in respect of such Interest Period will be (i) the rate last determined in relation to the Loan in respect of a preceding Interest Period or (ii) such rate as the Borrower and the Lender may otherwise agree.

For these calculations, the interest rate in effect on any U.S. Government Securities Business Day will be the applicable rate as reset on that date. The interest rate applicable to any other day is the interest rate from the immediately preceding U.S. Government Securities Business Day.

For the purposes of calculating SOFR with respect to the final Interest Period, the level of SOFR for each U.S. Government Securities Business Day in the period from (and including) the SOFR Rate Cut-Off Date to (but excluding) the Repayment Date or the prepayment date, as applicable, shall be the level of SOFR in respect of such SOFR Rate Cut-Off Date.

In this Part C:

"New York Federal Reserve" means the Federal Reserve Bank of New York;

"New York Federal Reserve's Website" means the website of the New York Federal Reserve, currently at <http://www.newyorkfed.org>, or any successor source;

"SOFR" means, with respect to any U.S. Government Securities Business Day, the Secured Overnight Financing Rate in respect of such U.S. Government Securities Business Day as provided by the New York Federal Reserve, as the administrator of such rate (or a successor administrator) on the New York Federal Reserve's Website on or about 5:00 p.m. (New York time) on the U.S. Government Securities Business Day immediately following such U.S. Government Securities Business Day;

"SOFR Rate Cut-Off Date" means the date that is the second U.S. Government Securities Business Day prior to the Repayment Date or the prepayment date, as applicable; and

"U.S. Government Securities Business Day" means any day except for a Saturday, Sunday or a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for the purposes of trading in U.S. government securities.

Part D Other Benchmark Rates

If the relevant Loan Particulars specify a Benchmark Rate other than €STR, SONIA or SOFR as the applicable Benchmark Rate, the following provisions shall apply:

1. The Benchmark Rate for an Interest Period will be determined by the Calculation Agent on the following basis:

- (a) if the Benchmark Rate is a composite quotation or customarily supplied by one entity, the Benchmark Rate will be the rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date in respect of such Interest Period;
- (b) in any other case, the Benchmark Rate will be the arithmetic mean of the rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date in respect of such Interest Period;
- (c) if, in the case of (a) above, such rate does not appear on that page or, in the case of (b) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will: (i) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Benchmark Rate at approximately the Relevant Time on the Interest Determination Date in respect of such Interest Period to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and (ii) determine the arithmetic mean of such quotations; and
- (d) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Benchmark Rate, as determined by the Calculation Agent) quoted by major banks in the principal financial centre of the relevant currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the principal financial centre of the specified currency) on the first day of the relevant Interest Period for loans in such currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

provided, however, that if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Benchmark Rate applicable to the Loan in respect of such Interest Period will be (i) the rate (or as the case may be) the arithmetic mean last determined in relation to the Loan in respect of a preceding Interest Period or (ii) such rate as the Borrower and the Lender may otherwise agree.

As used in this Part D:

"Reference Banks" means the banks specified as such in the applicable Loan Supplement or, if none are specified, four major banks selected by the Calculation Agent in the market that is most closely connected with the Benchmark Rate; and

"Relevant Financial Centre" means, in relation to a Loan and the applicable Benchmark Rate, the city specified as such in the applicable Loan Particulars.
