SUMMARY OF MATERIAL CHANGES – MACKAY SHIELDS LLC

Please note that MacKay Shields LLC updated this Brochure on January 21, 2025, to reflect the following material changes since the Brochure filed on July 2, 2024:

Effective January 1, 2025, Alison Micucci was appointed as Chief Executive Officer of MacKay Shields LLC, succeeding Nâim Abou-Jaoudé, Chairman of MacKay Shields Board of Managers, who served as Interim Chief Executive Officer since March 8, 2024.

Also effective as of January 1, 2025, ownership of NYL Investments Europe Limited (formerly MacKay Shields Investment Management Limited) and NYL Investments UK LLP (formerly MacKay Shields UK LLP) was transitioned from MacKay Shields LLC to its parent company, New York Life Investment Management Holdings LLC. As a result of the transition, NYL Investments UK LLP is no longer a “participating affiliate” of MacKay Shields LLC, and instead investment professionals of NYL Investments UK LLP have been appointed as dual-hatted officers of MacKay Shields LLC to provide investment management services to clients of MacKay Shields LLC.

There are no material changes to this Brochure since the last update, dated January 21, 2025. Nonetheless, we would like to identify the following non-material update to our business:

Two of MacKay Shields’ investment teams, Global Fixed Income and Global Credit, have merged into a single Global Fixed Income team. The Global Fixed Income team was primarily responsible for multi-sector and securitized debt mandates, while the Global Credit team was primarily responsible for credit portfolios. Each team’s investment process combined the blend of top-down and bottom-up research and were both under the supervision of the Co-Heads of Global Fixed Income and supported by the same Research and Trading teams. References to MacKay Shields’ Global Credit team have been removed from this Brochure and the summary of the Global Fixed Income team’s investment strategy have been updated accordingly. Please refer to “Item 8- Methods of Analysis, Investment Strategies and Risk of Loss” below.
